Hubli

The hub of the future.

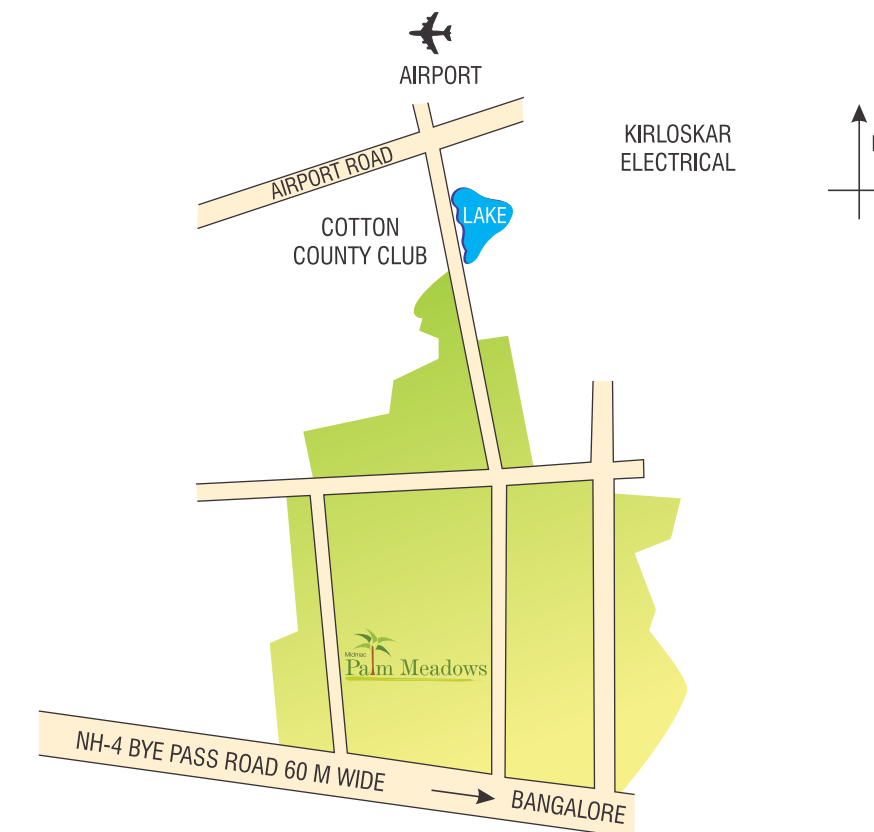

Evocatively named 'Hu' 'Balli', flower creeper, the city, quite like its name sake, has grown, spread and found its rightful place on the global IT map as a place of promise and potential. Hubli is now on the threshold of an exciting future.

Live, invest, celebrate the city's exciting possibilities. Come home to Midmac Palm Meadows. Undoubtedly, Hubli's finest plotted residential development.

Strategically situated 400 kms from Bangalore and Pune, Hubli is on course for quantum growth. Excellent connectivity teamed with quality talent pools and cost advantages compared to cities like Bangalore, Mumbai and Pune make Hubli an exciting emerging destination for IT and business. Hubli is also the connecting hub to North Karnataka's most impressive historical destinations. **Featured alongside are highlights that make Hubli a compelling city.**

Located on 100 acres of lush green opposite to the Hubli Airport, soon to be accorded international status, Midmac Palm Meadows holds the promise of tremendous appreciation potential.

Location Map

- Traditionally, considered the educational hub of North Karnataka, the twin cities of Dharwad and Hubli play host to numerous institutions including Karnataka University, University of Agricultural Science and KIMS to name just a few.
- 1,50,000 students graduate every year.
- Hubli is the main commercial hub of Karnataka, after Bangalore.
- The city is home to 4 designated industrial areas and 10720 registered SSIs.
- Increasing presence of FMCG majors has considerably enhanced consumer spends.
- Favourable climate and cosmopolitan flavour.
- Just a 3-4 hr drive to Goa - India's hottest holiday destination.
- Hassle free intra-city commute.

Excellent connectivity by road, rail and air:

- Access daily flights to Mumbai/Bangalore from the Hubli airport.
- Upgradation and expansion of the present airport to international standards on the anvil. 700 acres acquired by AAI towards this end.
- As zonal HQ of SW Railway and a key junction, Hubli is well connected across India.
- Proposed bullet train from Bangalore to Hubli.
- Well-connected by road to points India-wide via state and national highways.

IT growth potential:

- Software Technology Parks of India has established an IT park in the heart of the city.
- A well-known IT major is in the process of setting-up operations. More expected to arrive.
